Details Future Expansion Plans**

**Lubbock, TX (June 25, 2021)** - Champion Xpress Car Wash is proud to announce Michael Murry as the new Chief Executive Officer. Murry replaces Trey Merchant, Owner who served as CEO of Champion Xpress for six years.

Merchant has recently transitioned to a new leadership role within the Merchant Family Companies. "As a family-owned and operated business, we have great faith in Michael's leadership capabilities and look forward to the ways he will contribute to the success of our company and lead us through our next big expansion phase," said Trey Merchant, Owner, Champion Xpress Car Wash.

An accomplished executive, Murry brings 10 years of leadership experience to the Champion Xpress team. As Chief Executive Officer, Murry is responsible for leading all aspects of the rapidly growing company and will focus heavily on the aggressive expansion plans Champion has in development.

With eight current locations across Colorado, New Mexico and Utah, Champion Xpress has plans to expand rapidly over the next two years across these and other markets throughout the US.
