FOR IMMEDIATE RELEASE

Champion Xpress Carwash to Expand New Mexico Footprint with Acquisition of 4 Locations

ALBUQUERQUE, NM (December 31st, 2021) - Champion Xpress Carwash is excited to announce the acquisition of Rain Tunnel Car Spa on Thursday, December 30th 2021. The acquisition includes four locations across the Albuquerque, NM market. All four Rain Tunnel locations are currently operating and Champion Xpress plans to integrate these washes into the Champion brand within the next six months.

Champion Xpress Car Wash is a family-owned and operated business with multiple locations across New Mexico, Colorado, Utah and Iowa. "Albuquerque is a key market in our strategic growth plan. These new locations will offer our customers additional convenience with more locations to experience the Champion Treatment," said Michael Murry, CEO, Champion Xpress Carwash. "We are excited to welcome our new team members to our Champion Xpress family and look forward to growing alongside them."

This acquisition will bring Champion Xpress' total operating stores within the Albuquerque market to 6 with several more scheduled to open over the next two years.

About Champion Xpress

Champion Xpress Carwash is a family-owned and operated automated tunnel car wash company with locations across New Mexico, Colorado, Utah and Iowa. Currently operating 14 locations, Champion Xpress has an aggressive expansion goal of 70+ sites by 2023. At Champion Xpress, we pride ourselves on providing the highest quality tunnel wash in the business. We combine a superior chemical presentation and the latest industry technology to provide a clean car and exceptional customer experience every time! With values of Excellence, Hard Work, Stewardship, Difference, and Community, the Champion Xpress team aims to positively impact all areas of our industry.
